# HOPE OF WORLD PEACE LIES IN

[Republican A. P. Leased Wire]

WASHINGTON, Ivec. 28. - In an address here tonight, Ehim Root, former secretary of state and senator from New York, declared that the hope of world peace lies in the real rentraint of antions by powerful internation tribunals, operating under a definite code of laws. Mr. Root's address was made before a joint sectional meeting from the Lie-American Scientific Con-gress, and the American Society of Inpresident. The sectional meeting had as its subject for consideration, "in ternational law

"The christain church has been uramg peace and good will among men for 19 centuries, and still there is war," said Mr. Root, "Concerts of Europe and alliances and ententes and killful balance of power all lead in timately to war, Consiliation, goo with love of pence, human symboth through which they can not. Only the possibility of establishing real reefect to the will of the vast importts of manking.

whether that which we call internas by those on board, of Australia's cloud law is to be continued as a more fix'd enforcement of the rule, office burgle code of character or is to be a real body title early in December, problinging R was taken for granted that Govern of laws, imposing obligations much made of military and leaving the error Johnson would besse the call more definite and mentable than there commonwealth except by special perhas been heretofore. It must be one mission, thing or the other.
